

IT TAKES JUST ONE DECISION TO INCREASE PRODUCTIVITY. YOURS.

Be business clever and ensure your company's not left behind. Add BlackBerry® Enterprise™ Solution V4.1 to your Novell® GroupWise® platform and benefit from enhanced network capabilities and a secure gateway for mobile employees to access key applications and data, email, calendar, contacts and so much more. What's more, register online today and you'll get a free 30-day trial.

**Increase productivity with one smart business
decision today, visit blackberry.com/quickstart**

NOVELL GROUPWISE

This offer is subject to change without notice. Offer is valid for Novell GroupWise customers that reside in countries where BlackBerry Enterprise Solution and CWs are sold. The BlackBerry Enterprise Solution for Novell GroupWise Quick Start Edition is a fully functional version of the enterprise-grade BlackBerry Enterprise Solution V4.1 and will work with Novell GroupWise 6.5.6 and above. Upon registering for this offer you will be emailed details of when to download the BlackBerry Enterprise Server software and CWs within 24 hours. Software can only be downloaded once per organization. Questions about this offer may be directed to groupwise@blackberry.com. ©2008 Research In Motion Limited. All rights reserved. BlackBerry®, RIM®, Research In Motion®, SureType® and related trademarks, names and logos are the property of Research In Motion Limited and are registered and/or used in the U.S. and countries around the world.
